

Hmmm ..... so what is TIME to you?

**The past is over**

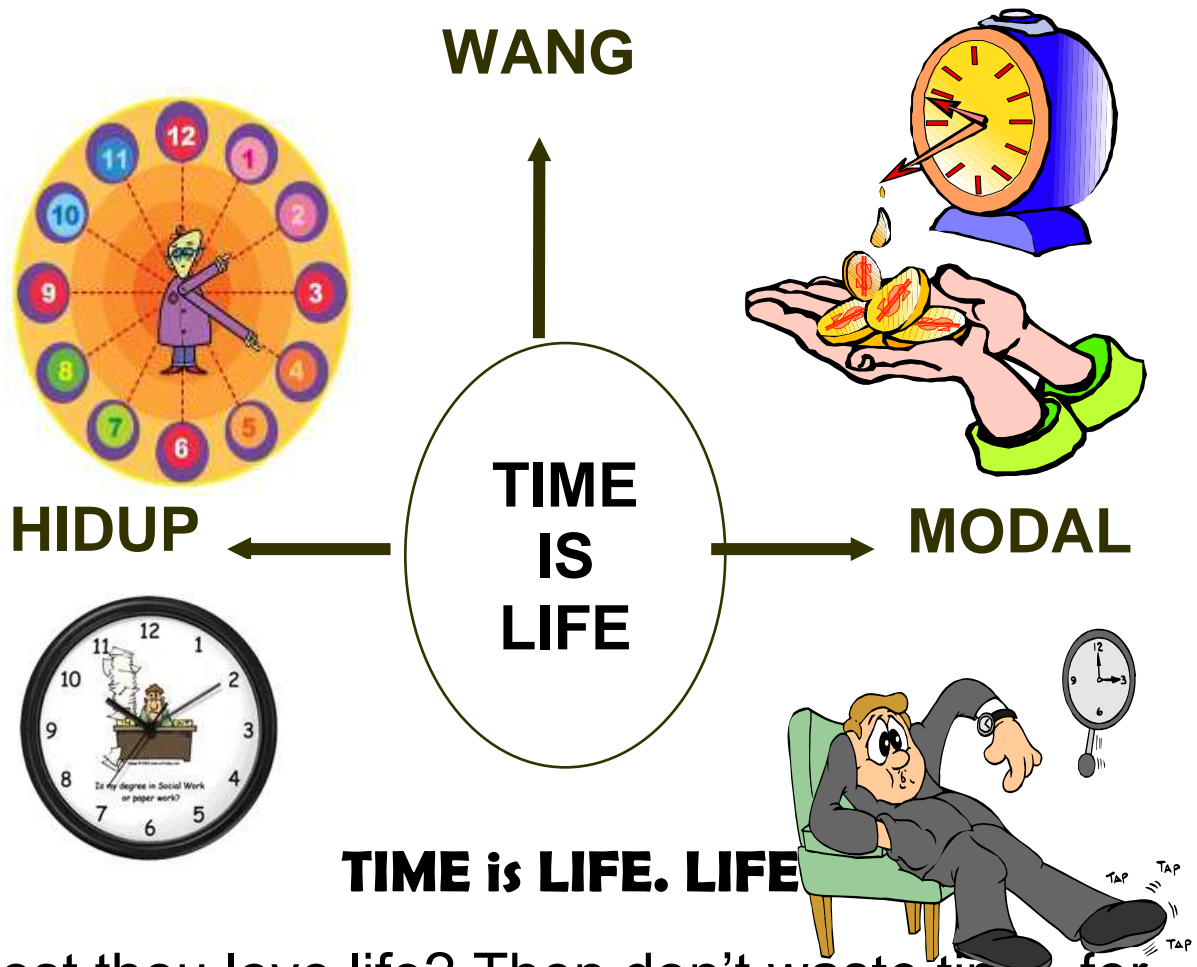

**The future is a  
mystery**

**BUT**

**Today is a gift**

**That's why it's  
called the  
PRESENT**

“Dost thou love life? Then don't waste time, for that's the stuff life is made of”

“Very few people have enough time & yet almost everyone has all the time in the world”

**Can't Stop Passage Of Time**

🕒 How much is 1 hour of time in your life worth to you?

🕒 **Are u as careful with yr time as with yr money?**

# POWER of **NOW**

**DO IT NOW!!** God only gives us 1 day at a time. Seize this very minute. Tomorrow will be same as today unless you do something about it **NOW!**

**But yesterday is gone**

Man finds comfort in the past or in the future, never looks to the **PRESENT**.

It has been an old habit, of the human mind.

Either it glorifies the past & relishes itself in the memory of past or it build castles in dreams in clouds for the future.

**Tomorrow doesn't exists either until it becomes NOW. Tomorrow is created today.**

**Never look back  
unless you're  
planning  
to go  
that way ...**

**Make time  
management 1<sup>st</sup>  
priority of the day**

**It is not  
enough to  
be busy. So  
are ants.  
Question is  
“What are  
we busy  
about?”**

# TIME AS A RESOURCE

You can't manage time.  
But you can manage what  
you've to do within the 24  
hours that you've. Time  
should never be spent but  
instead be invested. Time  
is your servant & you are  
the master

Getting  
Started With  
Time  
Management

Best day is really today.  
Forget about today  
being the 1st day of  
the rest of your life.

Today could be  
last day of rest of your life.

Remember you can't change the inevitable,  
but you can change your attitude towards today.

It is within your power to  
cultivate habit of living  
in the present.
